How to make a Tiger sock puppet .

1. Find a clean, old sock.
2. Make sure the sock fits on your hand. Baby socks are much too small.
3. Find a good place to work. If it is nice, go outside.
4. Put down paper before you begin.
5. Paint the sock with fabric paint.
6. Let dry.
7. You can draw on stripes with a permanent magic marker.
8. Make eyes, ears, a nose and tongue.
